

AAEI Trade Matters Fly-In

March 26, 2025

Hybrid (Virtual via Zoom & In-person in Washington, DC)

A massive transformation in trade policy is on the horizon, though its full scope remains uncertain. As the trade community prepares for changes under a new administration, the hybrid AAEI Trade Matters Fly-In offers an opportunity to stay informed with essential policy updates, innovative trade solutions, and valuable advocacy insights. This event will bring together trade compliance professionals and industry leaders to advocate for policies that promote secure, efficient, and responsible trade. By engaging directly with lawmakers and regulators, attendees can help shape policy that will have a major impact on your company and global supply chains.

Space is limited! Secure your spot today and help shape the future of trade policy.

WHY ATTEND?

1. Gain Critical Insights

- Trade Remedies: Updates on tariffs, exclusions, bond strategies, antidumping, and countervailing duties.
- Global Compliance: Learn about export controls on China, retaliatory tariffs, and preference program updates.
- Innovative Solutions: Explore AI tools for trade compliance, including origin determination and document digitization.

2. Advocate for Trade Policy

- Participate in Capitol Hill visits to Engage directly with policymakers and represent the trade community's priorities.
